MASTER OF BUSINESS ADMINISTRATION

THE CHIFLEY FLEXIBLE MBA @ PNG IBBM

Chifley's Master of Business Administration is designed for managers and those aspiring to be managers who are looking to their future and that of their organisations. We will enhance your managerial judgement, modifying or reinforcing what you have learnt from experience, to provide you with the skills and knowledge you need to analyse any situation in a disciplined way.

You will graduate with conceptual frameworks for thinking about business that are directly transferable to your workplace.

You will know what needs to be done to adapt to your organisation and your career, and you will know how to do it.

Chifley Business School specialises in meeting the business and management education needs of professionals worldwide. Our programs are prepared and delivered at the highest standards of quality, and remain responsive and relevant to professional and industry needs.

MASTER OF BUSINESS ADMINISTRATION

The Chifley Flexible MBA offers a strategic balance of theory and practice. The course is structured to allow program participants to build upon studied concepts and practices.

Practical face-to-face workshops are complimented with online learning using comprehensive online education material and an interactive learning management system. This enables you to stay connected with your facilitator and fellow students throughout the program.

At Chifley, we aim to build capability for success. Therefore, participants are encouraged throughout the program to apply their acquired learning to contexts within their own organisation. This ensures concepts and theory acquired during the program are easily transferred back into your workplace, enabling you to graduate with practical knowledge and skills essential for significant leadership roles across various organisational types.

The Chifley Flexible MBA is designed for:

- > Busy professionals who need the flexibility of online education with the enhanced learning experience of face-to-face teaching
- > Middle-level managers who are looking for a professional edge to help them into senior management
- > Full-time professionals who want to advance their careers while still working

Career Opportunities:

The successful graduate will be suitably prepared to assume senior level management roles in a variety of organisations and industries. Many of our graduates are currently employed in the following roles and industry sectors:

- > CEO
- > Vice President
- > Directors
